

Bring to 1ST class: Shared Classroom Supplies from each student, kept in class (or submit a check for \$15 per student.)

- 1 box tissues, boutique style (cube-shaped)
- 2 or 3 cylinders of disinfectant wipes, any brand (not baby wipes)
- 20 envelopes, size #10, **security tinted, peel-and-stick type**
- Zip-lock bags (any quantity): 1 quart size, 1 sandwich size, & 1 snack size

When shared classroom supplies are brought in, please check off the items turned in on the clipboard. →

**Weekly students need the following in their book bag every week:**

- Notebook: 2-inch, 3-ring binder (D ring preferable)
- College-ruled loose-leaf paper
- 16 **pocket dividers** (**NOT** regular dividers. Plastic ones hold up best.) →
- Pencils (preferably mechanical), red pen, yellow highlighter
- Camera (optional, but helpful)
- Calculator (Very small and simple is fine.)
- Colored pencils (PRISMACOLOR brand is best, but not required.)
- 1 pack or pad of graph paper, 8½ x 11 inches
- 100 index cards (lined)

← **Pocket** dividers
(**NOT** regular dividers)

These 4 items are not needed for high school level Chemistry class.

Additional Supplies for Specific Courses: Write student's full name on ALL their books and personal materials.
